

Sprememba izvajanja dnevnih avkcij na slovensko–italijanski meji v smeri Slovenija–Italija

Elektro–Slovenija, d.o.o., slovenski operater prenosnega omrežja in TERNA S.p.A italijanski operater prenosnega omrežja, objavljata spremembo izvajanja dnevnih avkcij na slovensko–italijanski meji. Od 1. julija 2009 dalje bo ELES, kot izvajalec avkcij v smeri Slovenija–Italija, dnevne avkcije za dodeljevanje čezmejnih prenosnih zmogljivosti v omenjeni smeri pričel izvajati vsak dan v tednu vključno s sobotami, nedeljami in državnimi prazniki. Čas izvajanja avkcij bo ostal enak t.j. vsak dan od 7:50 do 8:20 ure. Skladno z omenjeno spremembo bosta sistemska operaterja pravočasno spremenila veljavna avkcijska pravila za leto 2009 na slovensko–italijanski meji.

Change in the course of the daily auctions on Slovenian–Italian border in direction Slovenia to Italy

Elektro–Slovenija, d.o.o., Slovenian transmission system operator and TERNA S.p.A Italian transmission system operator, are announcing the change in the course of daily auctions on Slovenian –Italian border in direction Slovenia to Italy. From the 1st of July 2009, ELES as auction operator for direction Slovenia–Italy, will start performing daily auctions in the mentioned direction on a daily basis including Saturdays, Sundays and national holidays. The time of daily auctions stays the same t.i. every day from 7:50 till 8:20 am. According to these changes both transmission system operators will amend valid Auction Rules for the year 2009 on the Slovenian–Italian border in due time.
